# Jeff Winkler

734 Texas Oak Trl. * Lake Dallas, TX  75065 * 830-377-7606 * jeff.a.winkler@gmail.com

## Objective

I am seeking a position within an organization as a User Experience (UX) Designer. My aim is to create better interfaces and experiences for the user, making the web, applications, and technology easier for the user by simplifying communication barriers by bridging the gap between end-users, designers, and developers.

## Education

**Certification:** Web fundamentals, Python, Ruby, from Coding Dojo

**Masters of Arts in Teaching** (MAT, Texas Woman's University

**Masters of Arts in Drama** (MA), Texas Woman's University

**B.S., Speech,** Kansas State University

## Technical Skills

- Adobe Creative Suites
- HTML
- CSS
- SASS
- JavaScript
- JQuery
- Angular 2
- Bootstrap 4
- Python
- Django
- Ruby on Rails
- MySQL
- PostgreSQL
- Microsoft Office

## Award / Activities

Sponsor of The Dallas Meetup "Dallas Job Seekers"

Volunteer at "Big Design Conference 2017"

Presenter Lone Star TIA (Technology in Action) conference

## Experience

**Hannah's Wish Inc.**  End 2 End, Participated in the user research. Integrated a donation system into the design according to the stakeholder's desires. Increased overall donations over %100.  Currently modifying the mobile platform to be more responsive to the company's needs.

**Better Off Stage** End 2 End Faced a challenge with this site being both B2B and C2B site. In the process of developing the documentation for the research and wireframe for the site.

**Lake Highlands Theatre** End 2 End Developed the design for the site and integrated the volunteer background checks, booster club sign up, and event pay system.

## Design / Technical Experience

- Web designer for non-profit: Hanna's Wish, Inc.
- Designed and managed theatre department website at Lake Highlands High School
- System Administrator for Moodle Learning Management system in Denton ISD
- Developed an online curriculum for students in Denton and Lewisville ISDs
- Certified System Administrator "Moodle" LMS
- Conducted Moodle workshops to train teachers
- Taught a COMPTIA A+ certification course

## Collaborative Experience

- Supervised staffs of 2 - 7 people
- Coordinated with several departments to create an even work flow for several projects simultaneously.
- Worked with the community to develop several types of fundraising streams among businesses
- Sponsor of the Dallas Job Seeker Meetup.
- Regularly attend several Meetups including: Pythoneers, BIGDOCC Tech/Startups, Dallas User Experience Group, App Dev's, DFW Frontend
